EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Cancel non-elected claims 5-12,14,20-57.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: the prior art fails to disclose and/or teach the combination of a vertebral implant for interposition between two vertebral endplates comprising first and second endplates and a first flexible core component interposed between the first and second endplate, the first flexible core component comprises circumferential ridge for coupling with a complementary a first circumferential groove formed in a first end portion of the first endplate. The coupling of the first end portion to the first endplate assembly restricts lateral translation of the first end portion with respect to the first endplate assembly while permitting pivoting motion therebetween; and wherein the second end portion is pivotable (rotatable) with respect to the second endplate assembly.

Art Unit: 3738

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
